The Sweet HOUSE

2025 CATALOG

Bizi tatlı severlerle kısa sürede buluşturan sır: Bir formülden fazlası..

Lezzetli ürünler yalnızca hammaddelerin bir araya gelmesiyle ortaya çıkmaz; inanç, tutku ve vizyon gerektirir. Biz de bu inançla bir araya gelen bir ekip olarak The Sweet House'u kurduk. Hepimizin ortak hayali ise açıktı: Çağın ötesinde lezzetler üretmek.

Bu hayalle başladığımız yolculuğumuz, İstanbul'da küçük bir atölyede hayat buldu. Geleneksel tatları modern dokunuşlarla harmanlayarak ilk ürünlerimizi üretmeye başladık. Kısa sürede fark edildik; lezzetlerimiz sınırları aştı ve Amerika, Kanada, Meksika, Almanya, Belçika, İsveç başta olmak üzere birçok ülkeye ulaştı. 2020 yılı itibarıyla, yirmiye yakın ülkede tatlı severlerle buluşmanın gururunu yaşadık.

Peki bizi bu kadar kısa sürede dünya çapında tanınır kılan neydi?

SAYGI

Her şeyden önce insana saygı duyduk. Kullandığımız tüm hammaddeleri insan sağlığı açısından titizlikle denetledik, hiçbir zaman kaliteden ödün vermedik. Müşterilerimize ve onların beklentilerine saygı gösterdik. Yaklaşık 1.200 metrekarelik üretim tesisimizi, bu taleplere esnek çözümler sunabilecek şekilde modüler olarak tasarladık.

Ve en önemlisi, işimize saygı duyduk. Bizi hedeflerimize ve hayallerimize yaklaştıran her projeyi tutkuyla benimsedik. Kalitemizden, ilkelerimizden ve saygı anlayışımızdan asla vazgeçmedik.

Şimdi ise geleceğe saygı duyuyoruz.

Bugünün tatlarını, yarının nesillerine aktarmak için heyecanla üretmeye, tutkuyla çalışmaya devam ediyoruz.

The Sweet House: Geçmişten ilham, gelecek için lezzet.

The secret that brought us together with dessert lovers in such a short time: More than just a formula.

Delicious products are not simply born from the combination of raw ingredients; they require belief, passion, and vision. With that belief, we came together as a team and founded The Sweet House. We all shared a clear dream: To create flavors ahead of their time.

Our journey began in a small workshop in Istanbul, inspired by this dream. We started crafting our first products by blending traditional tastes with modern touches. It didn't take long for our creations to be discovered—our flavors crossed borders and reached countries like the United States, Canada, Mexico, Germany, Belgium, and Sweden. By 2020, we proudly connected with dessert lovers in nearly twenty countries.

So, what was it that helped us become globally recognized in such a short time?

RESPECT

Above all, we respected people. We meticulously monitored the suitability of every raw material we used for human health, never compromising on quality.
We respected our customers and their expectations. Our 1,200-square-meter production facility was designed to be modular and flexible to respond to diverse needs.
And most importantly, we respected our work. We embraced every project that brought us closer to our goals and dreams with passion. We never gave up on our quality, our principles, or our commitment to respect.

Now, we extend that respect to the future.

We continue to work passionately and excitedly to deliver today's flavors to the next generations.

The Sweet House: Inspired by the past, creating flavor for the future.
